LB 002, 202

one hour on 902 this afternoon. Mr. President, I am asking a question of the Chair. Did you not say this morning before we recessed that we would spend one hour on Select File this afternoon?

SPEAKER LUEDTKE: I said we would continue with it. We are continuing with it and I took the next motion on the desk which is now asking unanimous consent to lay it over until Monday.

SENATOR VENDITTE: Mr. President, I would like to know for what reason is this bill being laid over until Monday.

SPEAKER LUEDTKE: I asked Senator DeCamp if he wanted to speak to it. I guess I will have to ask him (Interruption).

SENATOR DeCAMP: Trying to save (inaudible). Figure that out.

SPEAKER LUEDTKE: Senator Venditte, do you want to object to the unanimous consent request?

SENATOR VENDITTE: Mr. President, I withdraw my objection.

SPEAKER LUEDTKE: Thank you. Do I hear any other objections? Hearing none, so ordered. We will now proceed then with LB 202.

CLERK: Mr. President, LB 202, when we last considered it, Mr. President, the E & R amendments were adopted by the body on March 7, 1978. I now have a motion which was read yesterday to indefinitely postpone and that is offered by Senator Rasmussen.

SPEAKER LUEDTKE: Senator Simon.

SENATOR SIMON: Mr. President, members of the Legislature, Senator Rasmussen evidently inadvertently forgot to withdraw that. We have worked out a compromise on this bill and the arrangement was, Senator Rasmussen would, Mr. Clerk, the arrangements were that Senator Rasmussen, I understand what your predicament is, but Senator Rasmussen had agreed to withdraw his kill motion on the bill and also his other amendments in lieu of the Simon amendments and the Koch amendments which are forthcoming. And so if we can, is Senator Rasmussen in his office or is he excused for the day or what is the situation? Is he in the building? Mr. Clerk, is Senator Rasmussen in the building?

CLERK: We are trying to locate him right now, Senator.

SPEAKER LUEDTKE: Now which motion are we taking up?

SENATOR SIMON: What I was saying, Mr. President, with the arrangements that we had, we have reached a compromise on the bill. Senator Rasmussen has a kill motion on the bill. He also has another amendment. Both of those were to be withdrawn and he inadvertently forgot to.

SPEAKER LUEDTKE: Which motion is first on the desk.

SENATOR SIMON: The kill motion is the first one.
